HOW LAZY CAN YOU GET?

The story is told of a man who told his doctor that he wasn't able to do all the things around the house that he used to do. When the examination was complete, he said, "Now, Doc, I can take it. Tell me in plain English what is wrong with me."

"Well, in plain English," the doctor replied, "you're just lazy."

"Okay," said the man. "Now give me the medical term so I can tell my wife."

Speaking of laziness, I am reminded of some of the humorous images painted by Solomon in the book of Proverbs:

*The lazy man says, 'There is a lion in the road! A fierce lion is in the streets!' As a door turns on its hinges, so does the lazy man on his bed. The lazy man buries his hand in the bowl; It wearies him to bring it back to his mouth. (Proverbs 26:13-15)*

Imagine a man so lazy that he can't even lift his fork to his mouth to eat. Now that's lazy! But, while Solomon uses humor, he is trying to make a serious point. Laziness is a terrible sin.

Oh, I know, I know, if you were to make a list of the ten worst sins, you probably wouldn't include laziness. But, think about it for a moment. Think about something good that you intended to do recently — make a visit, send a card, invite someone over for dinner ... Now think about why you didn't get it done. Is there a chance you said, "I just didn't get around to it"? That may be the "medical term," but you know what it is in "plain English."

Make a little extra effort — yes, it will take effort — to do something good today that you know needs to be done. No excuses, no laziness, just do it.

## FOCUS ON GOD

*"In ALL your ways acknowledge Him, and He will make your paths straight."*

Proverbs 3:6

Life can suddenly become filled with problems of all kinds. Regardless of their source, they dominate your life until you find a solution.

If you are experiencing a problem and sincerely seek a solution, direct your thoughts to God and don't focus on the problem. You won't find a solution if you do not allow God to assist you.

Allow Him to create order from chaos and to give you the right solution. When God becomes more important than your problem, you will be fueled by a spiritual power because God is occupying His rightful place in your life. You will find solutions to your problems and by His grace live victoriously.
