## NO WAITING ROOM

What if you didn't wake up tomorrow and your soul is watching down thinking of all the things you didn't get to do yet because you were too scared, or too shy, or too worried about money. And all the things you told yourself you weren't good enough for, swam in front of your eyes, fighting for a place in the line, beside the words you didn't say and the joy you forgot to have.

My friend, there is absolutely no room for anything in your day, other than acceptance. You will never have enough money, or time, and you will certainly never have that perfect body the world told you need to be happy

And before you say it's too late to embrace this thing we call life, no it is not. You can do it right where you are. Right this minute. Get outside, breathe, look at the trees, put your bare feet on the grass - hand on your heart to feel that pulse - and that's it.

You're living.

Keep that up.

Wait up for the moon sometimes or get up early to see a sunrise, just because you can. Jump in the lake. Run, skip. The things you need to feel alive are free and all around my friend. You just have to see them.

Let in opportunity and say yes to the invitations that scare you a little, in a good way. Say no to some of the things you force yourself to do, knowing they rinse you of your peace.

Life was never supposed to be a waiting room, it was supposed to be a hillside, with paths leading in every direction and mountains as far as the eye can see, hiding adventures and new friends behind them.

Don't let yourself get to the end of this ride without having stopped to smell those beautiful roses. That's the only thing you need to fear in this life. Everything else is all part of it. It's all just a messy, complicated, beautiful and terrifying part of it.

Chin up, throw your arms wide open and let it be so.

### GOD PERFORMS HIS WONDERS THROUGH YOU

"CAST ALL YOUR ANXIETY ON HIM  
BECAUSE HE CARES FOR YOU." 1 PETER 5:7

Sometimes worries beyond your control prey on your mind; you may be concerned about your job, or an increase in rent. If you are anxious and worried about a personal matter, you must remember that God is greater than all the circumstances and situations that could befall you.

For a moment you may have allowed fear and uncertainty about the future to obscure your image of God. However, He is forever constant and He desires to share the deepest experience of your life with you. God's omnipotence will sweep away all petty thoughts and all uncertainty will disappear.

Your works are perfect, Lord, and even when I drink from the cup of bitterness; You will never forsake me but will help me to understand that, with You, I will survive. In Jesus name, Amen.
