INACTIVITY

Several years ago, the newspapers carried a sad story of a man, identified only as "Patient X," who died after having been in a coma for nine years.

He had been injured in an accident, and in an attempt to remove a blood clot from his brain, the cells were damaged beyond repair. For nine years he survived only by the aid of life support machines.

When he died, his death certificate did not read "died from brain injury," but "died from brain inactivity." Day after day, he died little by little from deterioration until there was no longer life.

Inactivity is dangerous, especially for the Christian, yet I have observed the death of many individuals' spiritual life. James reminds believers that "as the body without the spirit is dead, so faith without deeds is dead." (James 2:26 NIV)

We must exercise our faith by challenging ourselves to live it in the real world. As Eugene Peterson put it in **The Message**: "The very moment you separate body and spirit, you end up with a corpse. Separate faith and works and you get the same thing: a corpse."

GRACE-RICH & FREE!

*"The grace of our Lord Jesus
Christ be with you all."*

~ 2 THESSALONIANS 3:18

Where would we be if it were not for the grace of God? The wonderful song *Amazing Grace* tells of a prodigal son who came back to the father's house.

John Newton, the writer of the song, says that he was spiritually blind and lost, but the grace of God touched and healed him. This song reminds us of a redeeming God whose love is so great that He gave us His all through grace.

The Son of God took your guilt and my guilt upon Himself and sacrificed His life to redeem us from sin. His grace extends so far that even when we turn away from Him, Christ waits patiently and lovingly for us to turn back to Him.

Thank You, God, that Your grace has set me free and given me new hope for tomorrow. In Jesus name, Amen.
