## TODAY'S VERSE

*"Blessed is the one... whose delight is in the law of the Lord, and who meditates on his law day and night." Psalm 1:1-2*

Delight! Ah, what a wonderful word and an even more meaningful experience. But do you find delight in the truth and law of the Lord? What holy things of the Father in heaven hold your thoughts throughout the day? Why not join me in putting more of God's word into your head through memorization and hiding it in your heart through prayerful Bible contemplation? During those sleepless moments in the night, those restless concerns during traffic jams or lines, and those anxious moments waiting to see someone special or deal with something important, we can meditate on the words and truth of God. With the Holy Spirit's help, we can even find delight in what can be troublesome times!

*"Father in heaven, you are holy and righteous in all of your ways. I confess, dear Lord, that I do not always make the most of my thought time. I often let my mind drift away into areas I shouldn't explore. I will occasionally get too focused on inconsequential things. I allow my thoughts to drift into anxious worries about things I cannot control. I want my mind and heart to be tuned by the Holy Spirit to your truth by using your Word to help me know your will and find your way to your peace. Give me true wisdom, enlightened by your Spirit, to see, know, absorb, and contemplate the things closest to your heart and found in your holy Scriptures. In Jesus' name, I ask this. Amen." In the name of Jesus, I ask this. Amen.*

## REVERENT FEAR

Proverbs 2:1-11

Jeremy writes, "I know quite a bit about the fear of dying. Seven years ago . . . I felt intense, sickening, dizzying, overwhelming fear when I was told I had incurable cancer." But he learned to manage his fear by leaning on the presence of God and moving from his fear of death to embracing a reverent fear of Him. To Jeremy, this means being in awe of the Maker of the universe who will "swallow up death" (Isaiah 25:8) while also understanding deep within that God knows and loves him.

The fear of the Lord—a deep respect and awe for our holy God—is a theme that runs throughout Scripture. King Solomon admonished his son to fear the Lord in his series of wise sayings, the Proverbs. He said that if his son would turn his "ear to wisdom" and "search for it as for hidden treasure," then he'd "understand the fear of the Lord and find the knowledge of God" (Proverbs 2:2, 4-5). Along with wisdom and knowledge, he'd find discretion and understanding (vv. 10-11).

When we face challenges of many kinds and experience a sense of dread and fear, we're reminded of our limitations. But as we turn to God, asking Him to help us humble ourselves before Him and worship Him in reverence, we'll find He helps us to move from being fearful to embracing a healthy fear of Him.

## REFLECT & PRAY

How important is "the fear of the Lord" to you?  
How could you humble yourself before Him today?

*Creator Father, You made the heavens and the earth and yet You know and love me. Please help me to serve and honor You all the days of my life.*
